MEMORANDUM FOR: Chief, Far East Division

SUBJECT : Request for Air Conditioning Units

REFERENCE : Memo dated 10 December 1954 from C/FE,
to Chief of Logistics, same subject

1. Since air conditioning units are not medical items of supply, this office does not maintain approving authority pertinent thereto.

2. However, it is our professional opinion that these items cannot be factually considered to be "necessary for the health and welfare" of the employee and his family insofar as governmental responsibility is concerned.
